I also understand that if the Court terminates the No-Contact Order, it does not mean that the charges against the defendant have been dropped. I further understand that at any time I may return to court or contact the prosecutor and ask that the No-Contact Order be reissued, at no cost to me.

The Court should **terminate** or **modify** the No-Contact Order for the following reasons:

The Court should **modify** the terms and conditions of the No-Contact Order as follows (use separate sheet if necessary):
